Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Friday 13 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A breezy day with sunny intervals and showers.

Today:
Increasingly cloudy through this morning, especially across the west with showers possible. Showers will spread to all areas this afternoon but many places will stay dry with some sunshine. Breezy. Maximum temperature 20 deg C (68 deg F).

Tonight:
Showers clearing but remaining breezy this evening. Cloud will break leading to a mostly clear night, with an outside chance of an isolated shower. Turning cloudy again toward dawn. Minimum temperature 8 deg C (46 deg F).

Saturday:
A mostly cloudy start with a chance of isolated light showers. Becoming brighter through the afternoon. Cloud increasing through the evening, perhaps with outbreaks of light rain in parts later. Maximum temperature 20 deg C (68 deg F).

Outlook for Sunday to Tuesday:
Mostly unsettled with spells of rain or showers from Sunday to Tuesday, these most likely and perhaps persistent across southern parts. Some sunny spells also possible. Low confidence in detail.
